Subject: VEHICLES - Motor Vehicles - Land Rover
owned by the Dt.Board - insurance - instructions
requesting.

Agreeably to the scheme then introduced by the Government permitting District Boards to own a mobile unit for imparting Audio Visual Education in various High Schools under the control of the District Board, this Board has purchased a Land Rover in March 1952. But when the Land Rover was actually received here, it could not be utilised for the purpose on account of the ban imposed subsequently by the Director of Public Instruction, Madras in his Rc.No.70-VE-2 dated 18-12-1951.

Thereafter attempts were made to dispose of the Land Rover. It was resolved by the Dt.Bd. that in the event of attempts to dispose of the land Rover becoming unsuccessful, the Land Rover may be retained by the Dt.Board for its use by appointing a driver. Though the Assistant Engineer, Highways, Coimbatore came and inspected the vehicle, no offer was made by the Highways Department later on. Hence, the Land Rover has been maintained by the District Board.

I therefore request that Government may be pleased to issue at an early date a certificate of exemption in respect of the Land Rover, owned by the Dt.Board from the requirements of the compulsory insurance under section 94(2) of the Madras Motor Vehicles Act 1939.

HOME (TR.I) DEPARTMENT.

M.VS. - Land Rover owned by South Kanara Dt. Board - Exemption from the provision of Chapter VIII regarding insurance of M.Vs.

From the President, District Board, South Kanara, No.3364:AB/51, dated 29.11.1952 and 30.12.1952.

The President Dt. Board, South Kanara has requested that the Land Rover, owned by the Dt. Board may be exempted from the provisions of Chapter VIII of M.V. Act regarding compulsory insurance of M.Vs. against Third Party Risks.

(Under Section 94 (2) of the M.V. Act, any vehicle owned by a local authority which has been notified in the behalf by the State Government is exempt from compulsory insurance against third party risks. The principle laid down by the Govt. of India for granting such exemptions is that the local authority concerned should be able to carry its own insurance and to settle claims made against it in respect of accidents in which its vehicles are involved, fairly quickly and generally on the same basis as an Insurance Co. On this principle, the Govt. have, in G.O.Ms.No.1702, Home, dated 29.4.1947, exempted vehicles owned by certain Dt. Boards and Municipalities from insurance against third party risks. The criterion that was adopted in their cases was that the local authority, if it is a Dt. Board, should have an annual income exceeding Rs.4 lakhs and a surplus in the ordinary general revenue of over Rs.30,000/-.)

It is not known whether the financial position of South Kanara Dt. Board is such as to enable it to carry its own insurance. L.A. may be consulted about it. They may also be requested to state whether, from the administrative stand point, they recommend this Dt. Board's request for exempting its vehicles from compulsory third party insurance.

The budget estimate of the S. Kanara Dist Bd for 1952-53 has been received and examined. It is observed that the estimated ordinary receipts for the year 1952-53 fall

short of the expenditure by Rs. ~~2,21,370~~ 2,21,370

In 1951-52, also the S. Kanara Dist Bd was in a deficit. The Dist Bd does not therefore satisfy the

criterion referred to at 'X' on p 1 above.

Exemption need not be recommended.
